## About us...

**Konflux Theatre is a trusted Theatre in Education company that has been working successfully throughout the UK for 20 years. Our most popular project is Play in a Day® which was pioneered by us.**

We are at the forefront of transformative, cross-curricular learning. Passion and belief in all our workshops drives us to generate an energetic and thrilling space to ignite young minds. Our collaboration unlocks every child's inner confidence and abundant potential.

## What is Play in a Day®?

Play in a Day® is a **full day's participatory workshop** for a group of up to **30 KS1 or KS2 pupils** (*we also have options available which allow up to 60 KS2 pupils in to one school day*).

It's a fantastic way to launch, enhance or celebrate a topic! Your pupils will spend the day in your school hall with one of our professional workshop leaders **putting together their own performance** all about the chosen subject. Before the end of the day they will present their 15-20 minute performance to peers and parents so everyone gets to be involved!

# Upcoming Popular Theme Weeks

## Anti-Bullying Week 2017

Coordinated by the Anti-Bullying Alliance, this year's theme is **'All Different, All Equal'** with the aim to empower children and young people to celebrate what makes them and others, unique!

We have a number of workshops available for both **KS1** and **KS2** (*on the next page*) to help you highlight such an important issue:

### Trouble in the Toybox (KS1)

Suitable for up to 30 pupils, this Play in a Day® workshop considers different forms of bullying, how it can affect people's feelings and a number of different ways to deal with it. £345+VAT.

We also offer **Creative Learning Workshops**. Up to four KS1 classes (120 pupils) will take part in one school day with each class taking part in a 1 hour long session.

### Magic Carpet (KS1)

We've pulled the Magic Carpet out of the attic and sprinkled it with magic dust ready for children to explore the importance of anti-bullying, sharing and friendship. Each wonderful character they meet during this Creative Learning Workshop has a problem linked to bullying and the children are encouraged to help find them a suitable resolution. £395+VAT.

## Football Crazy (KS2)

Suitable for up to 30 pupils, this play examines bullying and racism. It's only when the other children are forced to play with them by their teachers that they realise their different abilities are an asset! Through working together they realise how 'united' they really are and decide to give bullying the red card. £345+VAT.

Some of our Play in a Day® workshops are available as **2-Part Days**. Two KS2 classes (60 pupils) will take part in one day; one in the morning & one in the afternoon. They share the final performance.

## #NoLaughingMatter (KS2)

Our most popular KS2 Anti-Bullying title defines bullying and looks at how it can be resolved through support from peers and parents. £345+VAT or £395+VAT as a 2-Part Day.

## Lean on Me (KS2)

There's trouble in the playground! Miss Jones' class are arguing all the time and calling each other names. They seem to have forgotten what friendship is all about. Luckily, help is at hand! Konflux's brand new Play in a Day, is a funny, tender story of how young people sometimes forget to be there for each other, and how important being a friend can be. £345+VAT.

*All of our Anti-Bullying workshops are available as a **package deal**, please turn to the back page for more information or call our office on; 01937 832 740.*

[www.saferinternetday.org](http://www.saferinternetday.org)

From cyberbullying to social networking, each year Safer Internet Day aims to raise awareness of emerging online issues and chooses a topic reflecting current concerns. Our workshops are designed to open up discussions between peers, parents and teachers about the dangers we face online and where to go if we need support.

## Play Safe to Stay Safe (KS1)

Designed to include age appropriate info, pupils are encouraged to speak about their own experiences of the internet and share their knowledge whilst putting together a performance to share at the end of the day. For up to 30 pupils. £345+VAT.

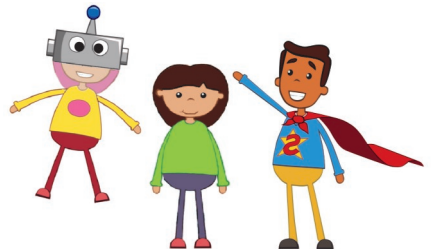

## Click Safe (KS2)

Through an exciting rehearsal, students will explore and tackle a range of internet safety issues. What exactly is cyberbullying? What forms can it take? A devised play which will contain valuable insights and information for teachers, parents and guardians too. £345+VAT or £395+VAT as a 2-Part Day.
